PUBLIC SALE VALUABLE WATER POWER POTOMAC AND SHENANDOAH RIVERS, HARPER'S FERRY, WEST VA. Valuable manufacturing sites, including the ground whereon the Armory buildings, the Musket and Rifle Factories-formerly operated by the Government of the United States, stood—with the unsurpassed Water Power, Canals and Dams connected therewith.

The United States The Harper's Ferry Water Power and Manufacturing Company of West Virginia, Francis C. Adams The United States In Chancery. Francis C. Adams et al. The United States

Francis C. Adams, Clinton Lioyd, No. 2.

By authority conferred on me as commissioner, by viriue of decrees passed by the District Court of the United States for the District of West Virginia, at Wheeling, in the above three several chancery causes, I shall proceed on THURSDAY, THE ESTH DAY OF SEPT., 1875., At Harper's Ferry, W. Va., on the several respective tracts of land hereinafter mentioned, to sell at which the water tower commenced into the Potomac river, as held by the United States under the conveyances to George Washington, President of the United States, in 1784, and thereafter by the devisees of Robert Harper and others, as existing and held by the United States, on the 36th day of November, 1869, the date of the sale of said property, under direction of the Secretary of War. This property includes the site of the old Armory buildings, or musket factory, Byrne's Island and Islands A, B and C, in the Potomac river, and all the sirry of land and binff bordering on the Potomac river and plying between said river and the streets and lots of the town of Harper's Ferry, as said down on the map of said property, used at the sale of 1892. Also, all the valuable water power of the Potomac river and plying between said river and the streets and lots of the town of Harper's Ferry, as said down on the map of said property, used at the sale of 1892. Also, all the valuable water power of the Potomac river and plying between said river and the streets and lots of the town of Harper's Ferry, as held by the United States at the time of said sale in 1893, emprants on structed through this lot No. 1.

Second—All of the valuable water power at many property in the sale through this lot No. 1.

There—two lots attended through this lot No. 1.

Second—All of the valuable water power entire of the Shenandoah river, at Harper's Ferry, in hid block A, each fronting 30 feet on Shenandoah river, intersected by an alloy 30 feet on Shenandoah river, intersected by an alloy 30 feet on Shenandoah river, intersection of the Shenand

for which each of said also set will be required of the residue of the purchasers on the day of saile. For the residue of the purchase money a credit of one and two years will be given, the purchaser executing bonds, in equal amounts, (with good personal security), bearing interest from day of saile. A lien on the property sold this labour of the property sold the sail of the property sold the sail of the property of the purpose of subjecting the property hereinbefore described to saile, and applying the proceeds of saile to the discharge of the bonds executed by defendants in said suits, at this saile of said property made by the United States in 1899.

Any additional information as to this property, its situation, condition and purposes for which it is adapted, will be furnished by the underalgated, who solicits correspondence on the subject.

Copies of said map of saile, referred to above, together with additional description of said property and of the surrounding country, will be furnished on

gether with additional description of said property and of the surrounding country, will be furnished on application. This property is considered among the most valuable in the country for manufacturing pur-poses on account of its remarkable water power. N. GOFF, Jr., Commissioner, ARKSBURG, W.
